

Registered Veterinary Technician or Experienced Veterinary Assistant – Part time

Location: Main Street Markham Animal Clinic - Markham, ON

Job Type: Part time

Expected Hours: 10-20 hours per week

Pay: \$19-\$25 per hour

About Us

Main Street Markham Animal Clinic is a new, family owned, growing, and supportive small animal practice seeking a Registered Veterinary Technician (RVT) or experienced Veterinary assistant to join our dedicated team. We're passionate about providing compassionate, high-quality veterinary care and value a collaborative environment where every team member is appreciated.

If you're looking for a practice that combines excellent medicine with a caring culture, we'd love to hear from you.

Job Summary

This essential role blends hands-on nursing with surgical technical support. You'll assist in all phases of surgical care- from preparing patients and monitoring anesthesia to recovery and client communication.

RVTs are integral to our medical team, helping ensure the best possible outcomes for every patient. Due to us being a new facility, this role involves both a leadership position within our team as well as a more flexible role given the day to day challenges faced.

Responsibilities

- Assist veterinarians during surgical procedures
- Prepare animals for surgery (shaving, disinfecting, etc.)
- Monitor anesthesia and patient vitals during surgery
- Maintain and sterilize surgical instruments and equipment
- Provide attentive post-operative care and monitor recovery
- Administer prescribed medications and treatments
- Educate clients on nutrition, medications, and post-op recovery
- Maintain detailed and accurate medical records
- Help develop and follow surgical protocols
- Ensure compliance with veterinary standards and best practices

Qualifications

- Registered Veterinary Technician (RVT) preferred but not required
- Experience in a veterinary surgical setting preferred
- Proficient with surgical instrumentation and sterilization procedures
- Skilled in dental radiography
- Strong knowledge of anesthesia monitoring and safety
- Excellent communication and teamwork skills
- Detail-oriented with strong organizational abilities
- Comfortable handling animals of all sizes
- Able to work flexible hours, including some weekends
- Committed to animal welfare and client education

Benefits

- Discounted pet food, treats, prescriptions
- Discounted Veterinary care
- Supportive and collaborative team environment

Schedule:

- Monday to Friday- Weekends as needed

Work Location:

- In person
